ABOUT NLSIU

The National Law School of India University, the Nation's premier law university, came into existence through a Notification under the National Law School of India University Act (Karnataka Act 22 of 1986). It signified the culmination of efforts by the Judiciary, the Bar Council of India, the Karnataka Bar Council, the Bangalore University and the Government of Karnataka to reform legal education and to establish a centre of excellence for legal education and research in India. The Law School has undertaken many research projects

funded by the UGC, the Government of India, the Government of Karnataka, the Department of Women and Child Development, UN agencies, the World Bank, HIVOS, Department of Justice etc.

The Projects have served to strengthen research and teaching at the Law School. The National Law School of India University since its

inception has taken proactive steps in organizing conferences, seminars, workshops, refresher courses and certificate courses to update academicians, law teachers, students, industry personnel in different subject areas.

ABOUT CEERA

Centre for Environmental Law Education, Research and Advocacy (CEERA), established in 1997 is a benefactor of the Ministry of Environment and Forest (MoEF), Government of Karnataka, the Bar and the Bench in India and abroad. Building an environmental law database, effectively networking among all stakeholders, building up an

environmental law community and policy research in the area of environment are CEERA's main objectives. To achieve the aforesaid, CEERA has incessantly and successfully been able to build functional and professional linkages with government agencies and non-governmental organisations in India, the South

Asian Region and at International levels. CEERA annually organises, a University Grants Commission recognized, One-week Law Teacher's Refresher Course.

CEERA, has been partnering with Central Pollution Control Board and the State Pollution Control Boards in organising Training programs for their officers and other industry professionals for over seven (7) years. One of the first research centre in India, to successfully be granted a World Bank project and thereafter being a steady choice for the Ministry of Environment Forest and Climate Change, CEERA has been entrusted with research projects and workshops to impart training to Forest Officers,

Revenue Officers, Officers of the Central Pollution Control Board and also of the Government of Karnataka. MoEF&CC has engaged the Centre in a three year research Project on Chemical and Hazardous Waste Management to assist and support the Ministry in handling various matters related to Chemical and Waste related Multi-Lateral Environmental Agreements.

CEERA has come out with several publications in the area of environmental law, and public policy along with Newsletters, CEERA March of the Environmental Law, The UGC-Care Listed Journal on Environmental Law, Policy and Development and manages two websites viz., www.nlsenlaw.org, wherein the law and policy on Environment is regularly updated, and www.nlsabs.com, a dedicated portal wherein the law and

policy on Biodiversity Access and Benefit Sharing is updated periodically. All our publications are duly updated on our online portal www.nlspub.ac.in, which is open for subscription to all readers.
