**TENTH EDITION - 2021  
FIVE - DAY ONLINE TRAINING PROGRAMME  
ON  
ENVIRONMENT LEGISLATIONS, INTERPRETATION,  
ENFORCEMENT, LEGAL AND STATUTORY  
REQUIREMENTS - CASE STUDIES**

**Date: 8<sup>th</sup> - 12<sup>th</sup>, FEBRUARY 2021**

**Platform: ZOOM VIDEO CONFERENCING**

## **ABOUT THE COURSE**

The Five-Day Training programme is designed with the main aim of delivering lectures and conducting discussions on case studies. During the initial sessions, the focus would be on understanding the Constitutional and jurisprudential background of the topics along with their interpretations. Emphasis would be on environmental legislations including Environment Protection Act, 1986; Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981. Discussions on several contemporary issues and developments in the area of environmental law and management, both at the national and international level would be taken up. Recent judicial orders and decisions would also be deliberated upon as a part of the discussion. Resource persons from legal academia, law practitioners, activists, industry experts are chosen to deliver sessions, to make the effort interdisciplinary. The technical sessions are of 90 minutes duration. The mode of discourse is mix of lecture and discussion method. The training program would also focus on a case studies of major events followed by discussions.

Participants will have ample scope to understand the legal dimensions of environmental law along with gaining insights from each other's experience during the training sessions. The sessions aim to bring to the fore multiple environmental challenges and possible solutions for the same. The participants will also be tested at the end of the training programme through an objective type examination. On completing the training programme, the participants will be in a position to appreciate the legal nuances of environment and pollution in India.

## **DELIBERATIONS ON THE FOLLOWING BROAD THEMES**

- Overview to the Legal Regime on Environment and the Constitutional Mandate
- Statutory Enforcement Mechanisms on control of Pollution
- Laws related to Collection, Disposal and Management of Waste
- Health, Business and Environment: Procedure of Environmental Clearances, Compliance and Corrective Action;
- Legal and Policy Regime on Pollution and Climate Change in India
- National Green Tribunal and its Directions to Pollution Control Boards including Environmental Compensation levied by NGT.
- Criminal Law Enforcement and Pollution Control: Procedural Issues, Collection of Evidence, filing of Complaint case and success ratio of complaint case.
- Clean Technology and Environmental Protection: Law and Compliance
- Environmental Compensation levied by CPCB/SPCBs various Environmental laws.
- Suggestions for amendment in Environmental Laws.

## ABOUT NLSIU

The National Law School of India University, the Nation's premier law university, came into existence through a Notification under the National Law School of India University Act (Karnataka Act 22 of 1986). It signified the culmination of efforts by the Judiciary, the Bar Council of India, the Karnataka Bar Council, the Bangalore University and the Government of Karnataka to reform legal education and to establish a centre of excellence for legal education and research in India.

The Law School has undertaken many research projects funded by the UGC, the Government of India, the Government of Karnataka, the Department of Women and Child Development, UN agencies, the World Bank, HIVOS, Department of Justice etc.

The Projects have served to strengthen research and teaching at the Law School. The National Law School of India University since its inception has taken proactive steps in organizing conferences, seminars, workshops, refresher courses and certificate courses to update academicians, law teachers, students, industry personnel in different subject areas.

## ABOUT CEERA

Centre for Environmental Law Education, Research and Advocacy (CEERA), established in 1997 is a benefactor of the Ministry of Environment and Forest (MoEF), Government of Karnataka, the Bar and the Bench in India and abroad. Building an environmental law database, effectively networking among all stakeholders, building up an environmental law community and policy research in the area of environment are CEERA's main objectives. To achieve the aforesaid,

CEERA has incessantly and successfully been able to build functional and professional linkages with government agencies and non-governmental organisations in India, the South Asian Region and at International levels. CEERA annually organises, a University Grants Commission recognized, One-week Law Teacher's Refresher Course.

CEERA, has been partnering with Central Pollution Control Board in organising Training programs for the officers of various State Pollution Control Boards and other industry professionals for over eight (8) years. One of the first in India, to successfully be granted a World Bank project and thereafter being a steady choice for the Ministry of Environment Forest and Climate Change, CEERA has been entrusted with research projects and workshops to impart training to Forest Officers, Revenue Officers, Officers of the Central Pollution Control Board and also of the Government of

Karnataka. CEERA is proud to have completed a two-year Research Project granted by the United Nations Development Programme (UNDP) under the Global Environment Facility (GEF), and as one of the deliverables, organised, convened and conducted over twenty workshops at Institutions of national repute creating awareness on the Biodiversity Law and Access and Benefit Sharing (ABS) in less than 2 years. Two research publications on the scanty research area of biodiversity laws were also the outcome of this project.

CEERA has several publications in the area of environmental law, the law and public policy along with Newsletters, CEERA March of the Environmental Law, NLSIU's first e-Journal - Journal on Environmental Law, Policy and Development and manages two websites viz., [www.nlsenlaw.org](http://www.nlsenlaw.org), wherein the law and policy on Environment is regularly updated, and [www.nlsabs.com](http://www.nlsabs.com), a dedicated portal wherein the law and policy on Biodiversity Access and Benefit Sharing is updated periodically. All our publications

are duly updated on our online portal [www.nlspub.ac.in](http://www.nlspub.ac.in), which is open for subscription to all readers.
